August 7-16

Exclusive Facility Access & Industry Exposure

Bucket-list Adventures & Culture

Academic Credit & Professional Development

“Nothing has made me more motivated to change the world. Experiencing Iceland’s culture, nature, and society in an intimate and educational setting has made Iceland to be a gem in my memory and a motivation in my life. The people, the land, the spirit, has so much to teach, so much to be loved. TGP WILL inspire you to not only change the world, but also change yourself.”

Fefe M., University of Arizona, Geology
