Was the TA knowledgeable about the subject matter of the course?

Yes, very. Shana helped immensely with Stata and assisted with all my problems clearly and quickly.

Was the TA able to effectively explain the course material to you?

Yes! I had no clue or prior experience with Stata and been now I feel very confident with the software thanks to Shana.

Was the TA fair in grading exams, papers, etc.?

I'm not sure how grading worked, so I can't say.

Was the TA approachable outside of class? Did he/she keep regular office hours and respond to your questions cordially and professionally?

YES! Always.

If there was a recitation section do you feel that it was valuable to you? In what way?

All of them.

Additional Comments, if any:

She's really great. Actually wouldn't change a thing about her method.

Was the TA knowledgeable about the subject matter of the course?

Yes

Was the TA able to effectively explain the course material to you?  

Yes, but I wish she could be a little clearer sometimes.

Was the TA fair in grading exams, papers, etc.?

NA

Was the TA approachable outside of class? Did he/she keep regular office hours and respond to your questions cordially and professionally?

Yes

If there was a recitation section do you feel that it was valuable to you? In what way?

Not really because the classes are structured in such a general, one size fits all way.

<td>Describe the best thing about the course/instructor that was effective in helping you learn.</td>
<td>My thesis would not exist without Shana. She was absolutely fundamental in my learning process and was a kind, guiding hand through each step of the way. She will be a great professor some day. She truly cares about her students, is very diligent and organized, and is available to help her students in difficult and stressful times.</td>
